#### PROCEDURES

All abstracts will be reviewed by the Conference's Scientific Committee. Accepted abstracts will be made public on the Conference's website : [www.etnacatania2009.com](http://www.etnacatania2009.com) and included in the Conference participants kit.

Abstracts will be accepted from authors who intend to attend the Conference and present their work in either poster or oral form.

Authors are kindly requested to follow the papers and abstracts preparation and submission instructions hereby provided. **Please note that abstracts length should not exceed one A4 page**

## **PAPERS PREPARATION**

Suggested maximum length: 27,000 character (including spaces)

Font: Times New Roman, 12.pt

This is equivalent to 7 single-spaced pages. Illustrations, maps, diagrams and bibliography will be added.

## **ABSTRACTS PREPARATION**

All abstracts must be submitted on the authorized template. Download it by [CLICKING HERE](#). This is a Microsoft file named **GCA\_template.doc** in which authors may copy and paste their abstracts for submission. The requested font is the same as the one suggested for the paper preparation : **Times New Roman, 12pt.**, as shown in the abstract example which you may also download: **GCA abs example.pdf**.

## **ABSTRACTS and PAPERS SUBMISSION**

Please submit your abstract in English by **July 15<sup>th</sup>**, and your paper by **September 15<sup>th</sup>**, by Email as an attached MS Word document and send to INSULA – International Scientific Secretariat, at the following address :

**Email:** [conf-volcano@etnecatania2009.com](mailto:conf-volcano@etnecatania2009.com)

**Objet:** EtnaCatania2009\_paper (or submissions)

## **POSTER AND ORAL PRESENTATION**

All oral and poster presentations must be in **English**.

Oral presentations in the respective sessions will last 15 minutes.

Poster sessions will include a short oral presentation by the author. Ample time for debates will be ensured.

Poster presentation size should be in A0 (841mm wide and 1189 mm high).
